## Greetings from the EAST:

Brethren;  
The new year and decade is here upon us and we are building upon the momentum started and created in 2009. We have already raised 3 brothers to Master Mason this month, Brothers Scott Karrow, Greg Chamberlain and Kenny Walker. We welcome them into the brotherhood and we look forward to working side by side with them. Our brothers from several of the Prince Hall lodges turned out for their Master Mason degree and it was one of the best 3rd degree's our lodge has ever done. It was an evening where Masonry really showed its true colors where brotherly love and affection prevailed for all the brethren.

Please note the dates in the trestle board, we have 3 new candidates to initiate in February. If you are not allergic to fun, excitement and energy then please join us. I think you will find the atmosphere at our lodge is very contagious, it is now more than ever something you will want to be a part of. We will continue to grow as the energy, excitement and fun that we are building continues throughout the year. So come join us, participate in the fun and please remember to invite your wives to join us for dinner at our stated communication meetings. We now begin dinner promptly at 6:00 pm and our meetings all start at 7:00pm.

I look forward to seeing you at our Lodge.

Fraternally,

WB Jeffery C. Todd
