## Greetings from the East

*WM Randy Richardson*

Brethren,

I want to thank Brother Mike Trest, our in-house Archeologist, for an outstanding presentation at our May Stated Meeting. It was great to hear a little of his accomplishments in his field. We want to learn more! I understand there is another presentation in the making.

I want to thank all of the officers for the fine work they do at the Stated Meetings as well as the Degrees. Although the officers make up the majority of the cast at a degree, we have others that take place as well and they also do an outstanding job. It is good to see our newly raised masons taking part in our degree work as well as filling in the chairs when requested to do so. Masonry is working in James K. Polk Lodge.

We have a Fish Fry Fundraiser coming up on May 18th from 11 AM to 7 PM. Please come and support the cause and fellowship with your friends. Bring your neighbors and friends. It is a fun time. Also, with the fundraiser, comes much work. Many will be getting to the lodge at 8 AM to start the preparations; therefore, we need YOU to come and help throughout the day all the way through clean-up at the end. Please come and help. It takes many to put on a fundraiser. Without you it cannot be done. Remember, as a mason, you are obligated to help. ALL of the officers will be there setting the example. Please come and help us.

Hope to see you in the lodge soon.

Randy  
Master

## From the West

*Brother Jimmy Buker*

Brethren,

I would like to begin this month's SW trestleboard by congratulating Bro. Mike Trest in a wonderful education at our May stated. One of the many points that he talked about I think we all need to take to heart, and that is always continue to have those dreams and try to improve yourself every day. We should all try to learn something new. These don't have to be big things small bits of education add up.

Please remember our fish fry this coming weekend. We need all hands on deck in order to make this fund raiser a success. Bring your families, neighbors and friends down to the lodge for **the best** fish fry this side of the Pacific. Yes WB Jerry has perfected the art and you will not go away dissatisfied.

If anyone is interested in presenting an education topic please let me know!

Bro. Jimmy
